Bethabara

A View from Above !

Have you ever thought about what Bethabara looks like from “above?” Well here is a photograph an aerial photographer took and sent to me. I am not sure whether or not he wanted me to buy it; he never said. He just gave it to the church for free.

One of the things that Bethabara and other churches engage in is continually asking God: “What does our church look like from above?” “From the perspective of heaven, what does the kingdom of God look like “on earth?”

As your pastor, I would like to thank each and every one of you for all you do to allow the world to know Jesus through your words, actions, sacrifice and surrender.

To God be the glory!
