*June 2010*

. . . from the Pastor.

Yes, the times, they are a'changin'. That is certainly true for Moravians. Some of the changes are producing opportunities for us to get to know Moravians in other churches better.

One of those opportunities is the new "Regional Council of Churches." Our whole Southern Province has been grouped into multiple "regional councils" consisting of 4 or 5 congregations each. These "regional councils" will offer a chance for sister churches to work together and worship together more closely.

The churches joining Bethabara in our "Regional Council of Churches" are Willow Hill, Oak Grove, Providence and Fulp Moravian churches.

And the very first thing we are going to do is worship together!

**Sunday, June 13th at 7pm Bethabara will be hosting a worship service, right here at our church!**

All the other churches of our "R. C. C." are invited. It is for all members of all these congregations. The focus of our worship will be preparing our hearts for the important upcoming Provincial Synod in September. This Synod, we hope, will hear clearly the voice of God as it creates strategies for ministry for the future.

**A Special Thank You.....**

I would like to thank everyone for the beautiful peace lily sent to me and my family at my mother's death. Also, thank you for all the cards, phone calls and encouraging words during this difficult time. I appreciate all that has been done for me. You are such a loving congregation and I am so fortunate to be able to work for you and experience that love. Thank you again.

## Laurel Ridge Celebrates Being 50!

While turning 50 can be a scary milestone for many people, Laurel Ridge is thrilled to celebrate a half-century of ministry on the mountain in 2010. As I continue to visit churches and pastors this year, I cherish the wonderful stories and memories I've heard from people who were campers at the first camp to those who visited the property before a single building was built. The time I've spent listening to these stories has me wondering: If Laurel Ridge could speak, what would it say? I took a walk through Summer Camp a few days ago and heard the voice of Laurel Ridge in a variety of ways: the wind blowing through pine trees, an animal crunching over dead leaves, and the small voice inside me telling me to sit down and breathe in the gift of fresh mountain air on a spring afternoon. I was reminded of how often I take the voice of Laurel Ridge for granted; it's easy not to hear it when you're focusing on day-to-day work tasks. I share this with you as a way of using my voice to encourage you to be a voice for Laurel Ridge this year. As we celebrate our past and look to our future, we are blessed to use today to share the incredible beauty of Laurel Ridge with others. Take a moment to close your eyes and remember your favorite times on the mountain. I invite you to take those memories and share them with others, especially someone who has never been to Laurel Ridge. We are all able to be the voices of a place set apart that is truly one of the greatest gifts God could have given us. Through uniting our voices we can share the joy Laurel Ridge has brought us and ensure it will continue to bring joy to others for years to come. Thanks be to God for the past 50 years, for what lies ahead, and for the beautiful voices of Laurel Ridge.
